

LIVINGSTON COUNTY

There is a ***Weatherization Program*** offered through the ***Oakland Livingston Human Services Agency (OLHSA)***. The program helps homeowners with energy conservation services such as furnace repairs or replacement, upgraded doors, insulation, etc. There is a waitlist. Visit <https://www.olhsa.org/complete-services> for details on the program and eligibility requirements or contact (248) 209-2760. Their email is weatherization@olhsa.org. This program covers Michigan residents of the following counties: Livingston and Oakland. The OLHSA (Livingston County) office is located at 2300 East Grand River Avenue, Suite 107, Howell, MI 48843. The phone number is (517) 546-8500 and email is livingston@olhsa.org.

A ***Brush with Kindness*** is offered through the ***Livingston County Habitat for Humanity***. This program is designed to help families with home repairs ranging from exterior improvements, painting, weatherization, siding, gutters, fence repairs, etc. All work is done by volunteers. The family is expected to participate in the work and to cover the cost of the materials. Information on the program can be found at <https://www.livingstonhabitat.org/habitat-home-programs>. The local office for Livingston County's Habitat for Humanity is 7198 Grand River Avenue, Brighton, MI 48114 and the number is (810) 220-9986 ext. 111.

The ***Putnam Township Senior Center*** offers referral services to seniors to help maintain and repair their homes. These services include but are not limited to helping with housing needs, in-home services, home chores, and home repairs. The Putnam Township Center is located at 350 Mower Road, Pinckney, Michigan 48169. The contact telephone number is (734) 878-1810.
